

VOLUNTEER WAIVER!

WHAT DO YOU NEED TO KNOW?

It's time for Winter Wonder 2016-17!

On , _____ you will join your child's class, teacher, and a Wildsight educator in a winter adventure to learn about the natural world. Winter Wonder is a special winter ecology field trip program for children in Kindergarten through grade 3.

The program teaches students about nature in ways they'll remember: with fun, hands-on activities. They explore the special adaptations of animals and plants to cope with the snowy season, and examine snow crystals. This all takes place within the schoolyard or within a short walk from the school. All trips are hosted by Wildsight's professional educators – teachers, biologists and ecologists – who have many years experience and training. Kids love Winter Wonder! They get to play games and enjoy healthy active living and exciting, real world learning.
