

**GET WILD! Summer Day Camp**  
**WAIVER OF ALL CLAIMS, RELEASE FROM LIABILITY**  
**And**  
**ASSUMPTION OF RISKS**

**WARNING: By signing this you also give up the right to sue**

**Wildsight** means the regional society **Wildsight**, its five branches (Creston Valley, Golden, Elk Valley, Kimberley/Cranbrook and Invermere), and their officers, directors, members, employees, contractors, agents and any person acting on their behalf:

In consideration of **Wildsight** accepting the application for my child and/or myself being permitted to take part in a **Wildsight** activity, I agree to this release form from liability, waiver of all claims and agreement not to sue. In addition, I also agree to assume the dangers and risks of activities in a field trip setting.

I also agree for myself, my heirs, my executors, administrators and assignees to forever discharge and release **Wildsight**, for any personal injury, death, property damage or loss sustained by me as a result of my participation in the **Wildsight** activity due to any cause whatsoever, including, without limitation, negligence on the part of **Wildsight**, its staff.

I am aware that in addition to the usual dangers and risks inherent in field trip activities, certain additional dangers and risks are possible, some of which include:

1. **TERRAIN** – in addition to unforeseen slope failures and washouts, the roads may be steep and narrow, and may be used by industrial vehicles. Viewing and hiking areas have many dangerous obstacles and hazards that may be hidden. Some of these obstacles and hazards include, but are not limited to fallen trees, creeks, rocks and boulders, holes and depressions and varying and difficult conditions. Radio communication in the field can be unreliable and in the event of an accident, rescue and medical treatment may not be readily available;
2. **WEATHER** – weather conditions may be extreme and can change rapidly without warning;
3. **ANIMALS** – there is always the possibility of an encounter with domestic and wild animals in the field.

I further acknowledge and agree that I am to supply for my child and/or myself, such footgear, outerwear, nourishment, water, medications, medical and such other supplies as I may deem fit, taking into account varying weather conditions and terrain that may be encountered on such an activity.

I accept all the dangers and risks and the possibility of personal injury, death, property damage or loss resulting while my child and/or myself are participating in a **Wildsight** activity. I agree not to sue **Wildsight** on account of any circumstance whatsoever arising from my participation in any activity organized, sponsored or conducted by **Wildsight** or any of its affiliated branches (all of which are referred to in this clause as an “activity”). If I am signing this waiver as the guardian of a minor, I agree to indemnify and hold harmless **Wildsight** from and against all costs, claims and liabilities of any nature and kind whatsoever arising from the participation of such minor or minors in any activity of **Wildsight**. In entering into this agreement I am not relying on any oral, written or visual representation or statements made by **Wildsight** including those in its advertising or brochures, to induce me to go on the **Wildsight** activity.

***Please refer to the separate page for the required information and signatures.***

***Note: If the applicant is not nineteen years of age, the guardian of the applicant must sign the waiver form on behalf of the applicant.***
